### Renovate 16 Update

With gratitude, we can report that three of the Renovate 16 projects are fully funded. The Student Center and Jeffords Center projects are funded and completed. The Memory Garden is also now funded. Construction will begin soon and it will be completed in the spring. Two projects remain unfunded: Replacing the Sanctuary roof and the carpet on the second floor of the CE building. Thank you for your generosity!

## WE SERVE...

- Key Night to Shine Volunteers Still Needed

### Buddy Committee and Transportation/Security/Parking Committee

**Buddy Committee:** Each prom guest will be assigned a Buddy for the event who will spend the evening providing assistance as needed with a guest. Buddies must be at least 16 years old, mature, compassionate, bighearted, fun-loving, and willing to help their assigned guest have the night of his or her life! Buddies must also attend a brief, but important, training session at FPC later this month. **Transportation/Security/Parking Committee:** Committee volunteers will provide an exceptional experience with limo rides for guests, adequate parking for guest arrivals, and security throughout the event. Volunteers are needed to drive a shuttle for off-campus volunteer parking and monitor that parking location during and for some time after the event (until all volunteers are finished for the evening). Volunteers are needed to give directions and monitor the FPC parking lot starting before guests arrive until all have left. Volunteers in this area must be adults 18 years old and above.

- **Eastside Elementary School Food Drive**  
**Missions Hall Table, January 22, 2017**
