WE GROW...

- Vine Combined Study
Sunday, January 7 through February 18, 2018, 9:30 a.m., Sanctuary
In January we will begin a study in all of the Sunday morning adult classes on "Echoes of the Reformation." Everyone will gather in the Sanctuary at 9:30 a.m. to watch a video, and then dismiss to the different classes to discuss the topic for the week. This is a great opportunity to get connected to a Sunday morning class if you aren't already involved. We will be serving coffee each week from 9:15-9:30 a.m., so come early for fellowship. This will be a good way to connect and study together as we kick off a new year!
- Thursday Women's Bible Study
Thursday, January 11, 10 a.m.-Noon, Chapel
Please join us for a study of the Book of Ruth...a study about relationships! Cost of the book is \$9. Sign up on the sheet in the Narthex on the Information Table or call the church office at 770-942-0710.

GENEROSITY SPOTLIGHT

How does God use our financial generosity towards the church? Consider Haiti Outreach Ministries:

Over the last 5 years, First Presbyterian has developed a relationship with Pastor Leon and the ministry he began in Haiti called Haiti Outreach Ministries (HOM). In that time we have taken several groups to Haiti; both medical and construction groups. In partnership with HOM, we have treated several hundred patients, built homes, and participated in the construction of school classrooms. This year we contributed over \$18,000, over and above airfare expenses to run a medical clinic for a week and to contribute toward the building of a school classroom in Citi Soleil, the poorest part of Port au Prince, the capital of Haiti. There is virtually no public schooling in Haiti. The three schools run by HOM help to provide children with an education, which will give kids from the poorest part of the poorest country in the western hemisphere opportunities that other kids in Haiti just don't have. Our youth program and dozens of church members also sponsor children at the schools. These sponsorships cover the basic cost of their education, two school uniforms, educational materials and at least one guaranteed meal a day. This Christmas we have sold almost \$700 of coffee, metal work products, necklaces and other items, in support of local Haitian artisans connected with HOM.

This is how God multiplies our gifts to change hearts and transform lives.
