**CHILDREN IN WORSHIP
WITH PARENTS**

Studies have shown that children learn how to live a life of faith best when fully integrated into all aspects of the faith community.

Children are a vital part of God's family, and worshipping together as one body says to the child..."You matter and worship matters!"

They have opportunity to discover the depth of God's Word, the richness of prayer and hearts of joy honoring a living God whose love was poured out for all through Jesus Christ.
