### GENEROSITY SPOTLIGHT

**How does God use our financial generosity towards the church? Jesus is advanced in our community and beyond. Consider our Youth Ministry...**  
Our student ministry serves over 80 middle and high school students. Activities like Grow Groups, Midweek Gatherings, and Sunday School help students experience God's love and truth and build Christian community with one another. One way we have seen community lived out is through our Confirmation class. Students not only have demonstrated their love and concern for each other during our class discussions, but they support each other throughout the week, forming godly friendships that will last a lifetime. We would not have nearly the caliber of ministry that we do without the generous financial support of our church members.  
**That's how God multiplies our gifts to change hearts and transform lives.**
